key skills:

- Patience
- Creative
- Adaptive
- Good observer
- Microsoft word
- Microsoft Excel
- Microsoft power point
- Work under pressure
- Designing plates (plato)
- Humorous personality

Objective:

Be someone customers like and admire. As an employee I strive to help clients and design their plates as a chief deli, however the customers chief relationship is a sacred one and being able to have a positive impact on another person's taste is a beautiful experience. And as much as I care about advancing in my career there is nothing that I care about more than being remembered as the chief that made a difference.

Educational Qualifications:

- BT. Hospitality at Nader Tech. Inst. Dedeh El-Koura, North Lebanon.
